**HOW TO RETURN AN ITEM**

1. Next to your item(s), please select a reason code from the list above.
2. Please return your items via the Post Office, not a courier service, as your parcel could become held in customs and you will be responsible for any fees incurred.
3. Enclose this form inside your parcel and attach the pre-printed label on the front, ensuring any original delivery labels are covered. Please note that this label is **not** postage paid.
4. For your protection we advise that you use a recorded delivery service and obtain a 'Proof of Posting Certificate'. We cannot accept liability for goods that get lost or damaged in transit back to us.
5. Once we receive your parcel, it will be processed within 10-14 working days (during busy periods this can vary). Faulty items may take slightly longer to process, as they are passed to our Quality Control department for inspection.

**RETURNS INFORMATION**

1. If you need to return an unused item you can do so within 28 days for a refund. We will refund the monetary value of the items returned to us, at the price you purchased them.
